SIXTH AMENDMENT

This is in response to the office action mailed  
27 October 2009.

Applicant herewith elects the method of claims 84-20, 92,  
and 94, with traverse.

This is a PCT (Rule 371) case, to which 37 CFR 1.475.  
This Rule states in part that:

An international or national-stage  
application containing claims to different  
categories of invention will be considered to  
have unity of invention if the claims are drawn  
only to one of the following combinations of  
categories ... (4) A process and an apparatus or  
means specifically designed for carrying out  
the said process.
